Maria International School of Bucharest

Resilience Respect Compassion Integrity Responsibility

Our Mission

We provide a learning experience and environment at Maria International that fosters creativity and excellence. Whilst providing supportive, stimulating and relevant lessons and resources within the context of the British style international curriculum.

Our school will be a caring place where adults and children are valued equally. Our aim is to create an environment where children and the whole school community will be inspired to be resilient, respectful, compassionate and act with integrity.

Our children will learn to respect themselves and others in an atmosphere of high expectations where they are nurtured and have the courage to make mistakes

We will strive to create opportunities for students to have a well-rounded school and learning experience, where they can develop critical thinking skills and work in collaboration with others.
