Resilience Respect Compassion Integrity Responsibility

Our Mission

We provide a learning experience and environment at Maria International that fosters creativity and excellence. Whilst providing supportive, stimulating and relevant lessons and resources within the context of the British-style international curriculum.

Our school will be a caring place where adults and children are valued equally. Our aim is to create an environment where children and the whole school community will be inspired to be resilient, respectful, compassionate and act with integrity.

Our children will learn to respect themselves and others in an atmosphere of high expectations where they are nurtured and have the courage to make mistakes

We will strive to create opportunities for students to have a well-rounded school and learning experience, where they can develop critical thinking skills and work in collaboration with others.

Our Values

Resilience - We will handle adversity and problems with a mentality that enables us to keep going and improving.

Respect - We treat others with dignity, empathy and equality through our words and actions.

Compassion - We are kind, and caring and will help everyone to be the best they can be.

Integrity - We are open, honest and act with good morals and ethics in all situations.

Responsibility - We ensure our own work, learning and duties are completed in a timely manner and to a high standard

Rationale

At MISB we believe that school uniforms help to create and maintain a safe and level playing field for all students by reducing the risk of peer pressure and bullying, they focus the learner's attention on their academics instead of their clothing, they increase punctuality in the mornings and create a strong sense of community and school pride.

The school uniform is mandatory for all students from Mini-group to Year 6. Students must wear the regular uniform on all days except those when they have a Sport class, on which they are required to wear the Sport uniform.
